Interactive Practice of CSS

Flexbox

1. Flexbox
2. Basic concepts of flexbox
3. Aligning items in a flex container

The in-class material can be downloaded from here: techcomm-flexbox-material.zip

Games

1. Flexbox Froggy is a game where you help Froggy and friends by writing CSS code. Guide the frogs to the lilypads on the screen, using flexbox properties.
2. CSS Diner is an interactive learning game designed to teach CSS selectors. Through a series of fun, progressively challenging levels, players use CSS selectors to style and target elements on a virtual table of dishes.
